Thanks!

Are you around this morning at all? I would like to chat for a minute or two about the Consumer's Energy Project.

A half hour should be fine.

The other topics that I wanted to cover are Carmeuse and Aquila

Hi Melanie,

Just checking in our call on Monday. Wondering if you have anything on the agenda besides touching base on the PA 98 review? Kim and I have a conflict at 2:30 and we wanted to see if our call will be done in a half hour?

Thanks,

Amy
